INITIAL DECISION BY WILLIAM L. PACK, HEARING EXAMINER

The complaint in this matter charges the respondents with misbranding certain wool products in violation of the Wool Products Labeling Act and the Rules and Regulations promulgated thereunder, and the Federal Trade Commission Act. An agreement has now been entered into by respondents and counsel supporting the complaint which provides, among other things, that respondents admit all of the jurisdictional allegations in the complaint; that the record on which the initial decision and the decision of the Commission shall be based shall consist solely of the complaint and agreement; that the inclusion of findings of fact and conclusions of law in the decision disposing of this matter is waived, together with any further procedural steps before the hearing examiner and the Commission; that the order hereinafter set forth may be entered in disposition of the proceeding, such order to have the same force and effect as if entered after a full hearing, respondents specifically waiving any and all rights to challenge or contest the validity of such order; that the order may be altered, modified, or set aside in the manner provided for other orders of the Commission; that the complaint may be used in construing the terms of the order; and that the agreement is for settlement purposes only and does not constitute an admission by respondents that they have violated the law as alleged in the complaint.

The hearing examiner having considered the agreement and proposed order and being of the opinion that they provide an adequate basis for appropriate disposition of the proceeding, the

agreement is hereby accepted, the following jurisdictional findings made, and the following order issued:

1. Respondent A. Caplan Dusting Mill, Inc., is a corporation organized and existing under the laws of the State of New Hampshire. Respondents Abe Caplan and Erwin Caplan (erroneously referred to in the complaint as Irving Caplan) are president-treasurer and secretary, respectively, of the corporate respondent. The office and place of business of all respondents is located at 169 Sunapee Street, Newport, N.H.

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondents, and the proceeding is in the public interest.

ORDER

(a) The percentage of the total fiber weight of such wool products exclusive of ornamentation, not exceeding five percentum of said total fiber weight, of (1) wool, (2) reprocessed wool, (3) reused wool, (4) each fiber other than wool where said percentage by weight of such fiber is five percentum or more, and (5) the aggregate of all other fibers;

(b) The maximum percentage of the total weight of such wool product of any nonfibrous loading, filling or adulterating matter;
