Pursuant to the provisions of the Federal Trade Commission Act and the Fur Products Labeling Act, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Barry-Newberg & Co., a corporation, hereinafter referred to as respondent, has violated the provisions of said Acts and the Rules and Regulations promulgated under the Fur Products Labeling Act, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

Regulations promulgated thereunder, and the Federal Trade Commission Act. An agreement has now been entered into by respondent and counsel supporting the complaint which provides, among other things, that respondent admits all of the jurisdictional allegations in the complaint; that the record on which the initial decision and the decision of the Commission shall be based shall consist solely of the complaint and agreement; that the inclusion of findings of fact and conclusions of law in the decision disposing of this matter is waived, together with any further procedural steps before the hearing examiner and the Commission; that the order hereinafter set forth may be entered in disposition of the proceeding, such order to have the same force and effect as if entered after a full hearing, respondent specifically waiving any and all rights to challenge or contest the validity of such order; that the order may be altered, modified, or set aside in the manner provided for other orders of the Commission; that the complaint may be used in construing the terms of the order; and that the agreement is for settlement purposes only and does not constitute an admission by respondent that it has violated the law as alleged in the complaint.

DECISION OF THE COMMISSION AND ORDER TO FILE REPORT OF COMPLIANCE

Pursuant to Section 3.21 of the Commission's Rules of Practice, the initial decision of the hearing examiner shall, on the 22nd day of August 1961, become the decision of the Commission; and, accordingly:
