

IN THE MATTER OF
GROVAL KNITTED FABRICS, INC., ET AL.

CONSENT ORDER, ETC., IN REGARD TO THE ALLEGED VIOLATION OF
THE FEDERAL TRADE COMMISSION AND THE WOOL PRODUCTS
LABELING ACTS

Docket C-1172. Complaint, Feb. 17, 1967—Decision, Feb. 17, 1967

Consent order requiring a New York City jobber of piece goods which also operates a dyeing and finishing plant in Manchester, N.H., to cease misrepresenting the fiber content of its wool products.

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Wool Products Labeling Act of 1939 and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Groval Knitted Fabrics, Inc., a corporation, and Fred Alcott, individually and as an officer of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Wool Products Labeling Act of 1939, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Groval Knitted Fabrics, Inc., is a corporation organized, existing and doing business under and by virtue of the laws of the State of New York.

Respondent Fred Alcott is an officer of the corporate respondent. He formulates, directs and controls the acts, practices and policies of the said corporation.

The respondents are wholesalers and jobbers of piece goods, with their office and principal place of business located at 36 West 37th Street, New York, New York. Said respondents also own and operate a dyeing and finishing plant at Manchester, New Hampshire.

PAR. 2. Subsequent to the effective date of the Wool Products Labeling Act of 1939, respondents have manufactured for introduction into commerce, introduced into commerce, sold, transported, distributed, delivered for shipment, shipped, and offered for sale, in commerce, as "commerce" is defined in said Act, wool products as "wool product" is defined therein.

PAR. 3. Certain of said wool products were misbranded by the respondents within the intent and meaning of Section 4(a) (1) of the Wool Products Labeling Act of 1939 and Rules and Regulations promulgated thereunder, in that they were falsely and deceptively stamped, tagged, labeled, or otherwise identified with respect to the character and amount of the constituent fibers contained therein.

Among such misbranded wool products, but not limited thereto, were fabrics that were stamped, tagged, labeled, or otherwise identified by respondents as containing Cotton and Mohair, whereas in truth and fact, such products contained substantially different fibers and amounts of fibers other than as represented.

PAR. 4. Certain of said wool products were further misbranded by respondents in that they were not stamped, tagged, labeled, or otherwise identified as required under the provisions of Section 4(a) (2) of the Wool Products Labeling Act of 1939 and in the manner and form as prescribed by the Rules and Regulations promulgated under said Act.

Among such misbranded wool products, but not limited thereto, was a wool product with a label on or affixed thereto, which failed to disclose the percentage of the total fiber weight of the said wool product, exclusive of ornamentation not exceeding 5% of the said total fiber weight, of (1) wool; (2) reprocessed wool; (3) reused wool; (4) each fiber other than wool, when said percentage by weight of such fiber was 5% or more; and (5) the aggregate of all other fibers.

PAR. 5. The acts and practices of the respondents as set forth above were, and are, in violation of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, and constituted, and now constitute unfair methods of competition and unfair and deceptive acts and practices in com-

merce, within the intent and meaning of the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Bureau of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Wool Products Labeling Act of 1939; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by the respondents that the law has been violated as alleged in such complaint, and waivers and provisions as required by the Commission's rules; and

The Commission, having reason to believe that the respondents have violated the said Acts, and having determined that complaint should issue stating its charges in that respect, hereby issues its complaint, accepts said agreement, makes the following jurisdictional findings, and enters the following order:

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondents, and the proceeding is in the public interest.
