ACTS

Docket C-1228. Complaint, June 26, 1967—Decision, June 26, 1967

Consent order requiring a New York City clothing manufacturer to cease misbranding its wool products.

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Wool Products Labeling Act of 1939, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Sol Tamny Co., Inc., a corporation, trading as Duffield Clothes, and Sol Tamny, individually and as an officer of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Wool Products Labeling Act of 1939, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Sol Tamny Co., Inc., trading as Duffield Clothes, is a corporation organized, existing and doing business under and by virtue of the laws of the State of New York.

Respondent Sol Tamny is an officer of the corporate respondent. He formulates, directs and controls the acts, practices and policies of the said corporate respondent including those hereinafter set forth.

Respondents are manufacturers of wool products with their office and principal place of business located at 104 Fifth Avenue, New York, New York.

PAR. 2. Respondents now, and for some time last past, have manufactured for introduction into commerce, introduced into commerce, sold, transported, distributed, delivered for shipment, shipped and offered for sale in commerce, as "commerce" is defined in said Wool Products Labeling Act of 1939, wool products as "wool product" is defined therein.

PAR. 3. Certain of said wool products were misbranded by re-

spondents within the intent and meaning of Section 4(a) (1) of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, in that they were falsely and deceptively stamped, tagged, labeled, or otherwise identified with respect to the character and amount of the constituent fibers contained therein.

Among such misbranded wool products, but not limited thereto, were certain coats stamped, tagged, labeled, or otherwise identified as containing "100% Wool" whereas, in truth and in fact, said coats contained a substantial amount of fibers other than wool.

PAR. 4. Certain of said wool products were further misbranded by respondents in that they were not stamped, tagged, labeled, or otherwise identified as required under the provisions of Section 4(a) (2) of the Wool Products Labeling Act of 1939 and in the manner and form as prescribed by the Rules and Regulations promulgated under said Act.

Among such misbranded wool products, but not limited thereto, were certain coats with labels on or affixed thereto, which failed to disclose the percentage of the total fiber weight of the wool product, exclusive of ornamentation not exceeding 5 per centum of said total fiber weight of (1) wool; (2) reprocessed wool; (3) reused wool; (4) each fiber other than wool when said percentage by weight of such fiber was 5 per centum or more; and (5) the aggregate of all other fibers.

PAR. 5. The acts and practices of the respondents as set forth above were, and are, in violation of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, and constituted, and now constitute, unfair methods of competition and unfair and deceptive acts and practices in commerce, within the intent and meaning of the Federal Trade Commission Act.
