COMPLAINT

Pursuant to the provisions of the Federal Trade Commission
Act and the Wool Products Labeling Act of 1939, and by virtue
of the authority vested in it by said Acts, the Federal Trade Com-

mission, having reason to believe that Transamerican Spinning Mills, Inc., a corporation, and Charles S. Weinstein, individually and as an officer of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Wool Products Labeling Act of 1939, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Transamerican Spinning Mills, Inc., is a corporation organized, existing and doing business under and by virtue of the laws of the Commonwealth of Massachusetts.

Individual respondent Charles S. Weinstein is an officer of said corporate respondent. He formulates, directs and controls the acts, practices and policies of said corporation including the acts and practices hereinafter referred to.

PAR. 3. Certain of said wool products were misbranded within the intent and meaning of Section 4(a)(1) of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, in that they were falsely and deceptively stamped, tagged, labeled, or otherwise identified with respect to the character and amount of the constituent fibers contained therein.

Among such misbranded wool products, but not limited thereto, were wool products, namely, yarns, which contain substantially different amounts and types of fibers than set forth on the labels thereto affixed.

Among such misbranded wool products, but not limited thereto, were certain wool products, namely, yarn, with labels on or affixed thereto, which failed to disclose the percentage of the total fiber weight of the wool product, exclusive of ornamentation not exceeding 5 per centum of said total fiber weight, of (1) wool; (2) reprocessed wool; (3) reused wool; (4) each fiber other than wool, when said percentage by weight of such fiber was 5 per centum or more; and (5) the aggregate of all other fibers.

PAR. 5. The acts and practices of the respondents as set forth above were, and are, in violation of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, and constituted, and now constitute, unfair methods of competition and unfair and deceptive acts and practices in commerce, within the intent and meaning of the Federal Trade Commission Act.
