FEDERAL TRADE COMMISSION AND THE FUR PRODUCTS LABELING ACTS

Docket C-1533. Complaint, May 14, 1969—Decision, May 14, 1969

Consent order requiring a New York City manufacturing furrier to cease misbranding and falsely invoicing its fur products.

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Fur Products Labeling Act, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Seymour Feldman, Inc., a corporation and Seymour Feldman, individually and as an officer of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Fur Products Labeling Act, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Seymour Feldman, Inc., is a corporation organized, existing and doing business under and by virtue of the laws of the State of New York.

Respondent Seymour Feldman is an officer of the corporate respondent. He formulates, directs and controls the acts, practices and policies of the said corporate respondent including those hereinafter set forth.

Respondents are manufacturers of fur products with their office and principal place of business located at 350 Seventh Avenue, New York, New York.

PAR. 2. Respondents are now and for some time last past have been engaged in the introduction into commerce, and in the manufacture for introduction into commerce, and in the sale, advertising, and offering for sale in commerce, and in the transportation and distribution in commerce, of fur products; and have manufactured for sale, sold, advertised, offered for sale, transported and distributed fur products which have been made in whole or in part of furs which have been shipped and received in commerce, as the terms "commerce," "fur" and "fur product" are defined in the Fur Products Labeling Act.

PAR. 3. Certain of said fur products were misbranded in that they were falsely and deceptively labeled to show that fur contained therein was natural, when in fact such fur was pointed, bleached, dyed, tip-dyed, or otherwise artificially colored, in violation of Section 4(1) of the Fur Products Labeling Act.

PAR. 4. Certain of said fur products were misbranded in that they were not labeled as required under the provisions of Section 4(2) of the Fur Products Labeling Act and in the manner and form prescribed by the Rules and Regulations promulgated thereunder.

Among such misbranded fur products, but not limited thereto, were fur products with labels which failed:

1. To disclose that the fur contained in the fur products was bleached, dyed, or otherwise artificially colored, when such was the fact.

2. To show the country of origin of the imported furs contained in the fur product.

PAR. 5. Certain of said fur products were falsely and deceptively invoiced by the respondents in that they were not invoiced as required by Section 5(b)(1) of the Fur Products Labeling Act and the Rules and Regulations promulgated under such Act.

Among such falsely and deceptively invoiced fur products, but not limited thereto, were fur products covered by invoices which failed:

1. To disclose that the fur contained in the fur products was bleached, dyed, or otherwise artificially colored, when such was the fact.

2. To show the country of origin of imported furs used in fur products.

PAR. 6. Certain of said fur products were falsely and deceptively invoiced in that said fur products were invoiced to show that the fur contained therein was natural, when in fact such fur was pointed, bleached, dyed, tip-dyed or otherwise artificially colored, in violation of Section 5(b)(2) of the Fur Products Labeling Act.

PAR. 7. Respondents furnished false guaranties that certain of their fur products were not misbranded, falsely invoiced or falsely advertised when respondents in furnishing such guaranties had reason to believe that fur products so falsely guaranteed would be introduced, sold, transported or distributed in commerce, in violation of Section 10(b) of the Fur Products Labeling Act.

PAR. 8. The aforesaid acts and practices of respondents, as herein alleged, are in violation of the Fur Products Labeling Act and the Rules and Regulations promulgated thereunder and constitute unfair methods of competition and unfair and deceptive acts and practices in commerce under the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished

thereafter with a copy of a draft of complaint which the Bureau of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Fur Products Labeling Act; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondents have violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in § 2.34(b) of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondents, and the proceeding is in the public interest.

It is further ordered, That the respondent corporation shall forthwith distribute a copy of this order to each of its operating divisions.
