Complaint

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Textile Fiber Products Identification Act, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that The Feldman Co., Inc., a corporation, and Joseph Feldman and Alfred Feldman, individually and as officers of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Textile Fiber Products Identification Act, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent The Feldman Co., Inc., is a corporation organized, existing and doing business under and by virtue of the laws of the State of New York, with its office and principal place of business located at 375 Broadway, New York, New York.

Individual respondents Joseph Felman and Alfred Feldman are officers of said corporate respondent. They formulate, direct and control the acts, practices and policies of said corporate respondent, including the acts and practices hereinafter referred to. The office and principal place of business of said individual respondents is the same as that of the corporate respondent.

Respondents are wholesalers of synthetic piece goods.

PAR. 2. Respondents are now and for some time last past have been engaged in the introduction, delivery for introduction, sale, advertising, and offering for sale, in commerce, and in the transportation or causing to be transported in commerce, and in the importation into the United States, of textile fiber products; and have sold, offered for sale, advertised, delivered, transported and caused to be transported, textile fiber products, which have been advertised or offered for sale in commerce; and have sold, offered for sale, advertised, delivered, transported and caused to be transported, after shipment in commerce, textile fiber products, either in their original state or contained in other textile fiber products, as the terms "commerce" and "textile fiber product" are defined in the Textile Fiber Products Identification Act.

PAR. 3. Certain of said textile fiber products were misbranded by respondent in that they were not stamped, tagged, labeled, or otherwise identified to show each element of information required

to be disclosed by Section 4(b) of the Textile Fiber Products Identification Act, and in the manner and form prescribed by the Rules and Regulations promulgated under said Act. Among such misbranded textile fiber products, but not limited thereto, were textile fiber products without labels.

PAR. 4. The acts and practices of respondents, as set forth above were, and are, in violation of the Textile Fiber Products Identification Act and the Rules and Regulations promulgated thereunder, and constituted, and now constitute, unfair methods of competition and unfair and deceptive acts or practices, in commerce, under the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Bureau of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Textile Fiber Products Identification Act; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondents have violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in § 2.34(b) of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:
