Complaint

76 F.T.C.

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Wool Products Labeling Act of 1939, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Men's Wear, Inc., a corporation, and Benjamin H. Genauer and Sheldon P. Steinberg, individually and as officers of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Wool Products Labeling Act of 1939, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Men's Wear, Inc., is a corporation organized, existing and doing business under and by virtue of the laws of the State of Washington.

Individual respondents Benjamin H. Genauer and Sheldon P. Steinberg are officers of said corporation. They formulate, direct and control the acts, practices and policies of said corporation, including the acts and practices hereinafter referred to.

Respondents are engaged in the manufacturing of men's and boys' apparel. Their office and principal place of business is located at 1103 Post Street, Seattle, Washington.

PAR. 2. Respondents now, and for some time last past, have manufactured for introduction into commerce, introduced into commerce, sold, transported, distributed, delivered for shipment, shipped, and offered for sale, in commerce, as "commerce" is defined in the Wool Products Labeling Act of 1939, wool products as "wool product" is defined therein.

PAR. 3. Certain of said wool products were misbranded within the intent and meaning of Section 4(a) (1) of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, in that they were falsely and deceptively stamped, tagged, labeled, or otherwise identified with respect to the character and amount of the constituent fibers contained therein.

Among such misbranded wool products, but not limited thereto, were wool products, namely jackets, stamped, tagged, labeled, or otherwise identified as containing 100% Virgin Wool, whereas in truth and in fact, such jackets contained substantially different amounts and types of fibers than as represented.

PAR. 4. Certain of said wool products were further misbranded by respondents in that they were not stamped, tagged, labeled, or otherwise identified as required under the provisions of Section 4(a) (2) of the Wool Products Labeling Act of 1939 and in the manner and form as prescribed by the Rules and Regulations promulgated under said Act.

Among such misbranded wool products, but not limited thereto, were certain wool products, namely jackets, with labels on or affixed thereto which failed to disclose the percentage of the total fiber weight of the wool product, exclusive of ornamentation not exceeding 5 per centum of said total fiber weight of (1) wool; (2) reprocessed wool; (3) reused wool; (4) each fiber other than wool, when said percentage by weight of such fiber was 5 per centum or more; and (5) the aggregate of all other fibers.

PAR. 5. Certain of said wool products, namely jackets, were misbranded in violation of the Wool Products Labeling Act of 1939 in that they were not labeled in accordance with the Rules and Regulations promulgated thereunder, in that, in disclosing the required information, words or terms were abbreviated in violation of Rule 9 of the aforesaid Rules and Regulations.

PAR. 6. The acts and practices of the respondents as set forth above were, and are, in violation of the Wool Products Labeling Act of 1939 and the Rules and Regulations promulgated thereunder, and constituted, and now constitute, unfair and deceptive acts and practices and unfair methods of competition in commerce, within the intent and meaning of the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Bureau of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Wool Products Labeling Act of 1939; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the sign-

ing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondents have violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in § 2.34(b) of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:
