Respondents are engaged in the sale of various consumer goods, including, but not limited to, wood fiber chips.

PAR. 2. Respondents are now and for some time last past have been engaged in the sale and offering for sale, in commerce, and in the importation into the United States, and have introduced, delivered for introduction, transported and caused to be transported in commerce, and have sold or delivered after sale or shipment in commerce, fabrics, as the terms "commerce" and "fabric" are defined in the Flammable Fabrics Act, as amended which fabrics failed to conform to an applicable standard or regulation continued in effect, issued or amended under the provisions of the Flammable Fabrics Act, as amended.

Among such fabrics mentioned hereinabove were wood fiber chips.

PAR. 3. The aforesaid acts and practices of respondents were and are in violation of the Flammable Fabrics Act, as amended, and the Rules and Regulations promulgated thereunder, and constituted, and now constitute, unfair methods of competition and unfair and deceptive acts and practices in commerce within the intent and meaning of the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Bureau of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Flammable Fabrics Act, as amended; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondents have violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in § 2.34(b) of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:
