Pursuant to the provisions of the Federal Trade Commission Act and the Fur Labeling Act, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Smith Bros. Furs, Inc., a corporation, and Ben Smith and Al Smith, individually and as officers of said corporation, hereinafter referred to as respondents, have violated the provisions of said Acts and the Rules and Regulations promulgated under the Fur Products Labeling Act, and it appearing to the Commission that a proceeding by it in respect thereof would be in the public interest, hereby issues its complaint stating its charges in that respect as follows:

tection, Division of Textiles and Furs proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act and the Fur Products Labeling Act; and

The respondents and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it has reason to believe that the respondents have violated the said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in § 2.34(b) of its Rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:
