

CONSENT ORDER, ETC., IN REGARD TO THE ALLEGED VIOLATION OF THE
FEDERAL TRADE COMMISSION AND THE FLAMMABLE FABRICS ACTS

Docket C-2116. Complaint, Dec. 7, 1971—Decision, Dec. 7, 1971

Consent order requiring a Miami Beach, Fla., seller of novelty items and wearing apparel, including ladies' scarves, to cease marketing dangerously flammable products in violation of the Flammable Fabrics Act.

COMPLAINT

Pursuant to the provisions of the Federal Trade Commission Act and the Flammable Fabrics Act, as amended, and by virtue of the authority vested in it by said Acts, the Federal Trade Commission, having reason to believe that Abe Kairy, an individual trading as Kairy's hereinafter referred to as respondent has violated the provisions of said Acts and the rules and regulations promulgated under the Flammable Fabrics Act, as amended, and it appearing to the Commission that a proceeding by it in respect thereof would be in the

public interest, hereby issues its complaint stating its charges in that respect as follows:

PARAGRAPH 1. Respondent Abe Kairy is an individual trading as Kairy's. He is engaged in the sale of novelty and souvenir items and wearing apparel, including but not limited to ladies' scarves. The business address of respondent is 1144 Marseille Drive, Miami Beach, Florida.

PAR. 2. Respondent is now and for some time last past has been engaged in the sale and offering for sale, in commerce, and has introduced, delivered for introduction, transported and caused to be transported in commerce, and has sold or delivered after sale or shipment in commerce, products, as the terms "commerce" and "product" are defined in the Flammable Fabrics Act, as amended, which fail to conform to an applicable standard or regulation continued in effect, issued or amended under the provisions of the Flammable Fabrics Act, as amended.

Among such products mentioned hereinabove were ladies' scarves.

PAR. 3. The aforesaid acts and practices of respondent were and are in violation of the Flammable Fabrics Act, as amended, and the rules and regulations promulgated thereunder, and constituted, and now constitute, unfair methods of competition and unfair and deceptive acts and practices in commerce, within the intent and meaning of the Federal Trade Commission Act.

DECISION AND ORDER

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent having been furnished thereafter with a copy of a draft of complaint which the Atlanta Regional Office proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violation of the Federal Trade Commission Act and the Flammable Fabrics Act, as amended; and

The respondent and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondent of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondent that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's rules; and

The Commission having thereafter considered the matter and hav-

ing determined that it had reason to believe that the respondent has violated said Acts, and that complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days, now in further conformity with the procedure prescribed in Section 2.34(b) of its rules, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following order:

1. Respondent Abe Kairy is an individual trading as Kairy's with his office and principal place of business located at 1144 Marseille Drive, Miami Beach, Florida.

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the respondent and the proceeding is in the public interest.

ORDER

It is ordered, That respondent Abe Kairy, individually and trading as Kairy's, or under any other name or names, and respondent's representatives, agents and employees, directly or through any corporate or other device, do forthwith cease and desist from selling or offering for sale, in commerce, or importing into the United States, or introducing, delivering for introduction, transporting or causing to be transported in commerce, or selling or delivering after sale or shipment in commerce, any product, fabric, or related material; or selling or offering for sale, any product made of fabric or related material which has been shipped or received in commerce, as "commerce," "product," "fabric" and "related material" are defined in the Flammable Fabrics Act, as amended, which product, fabric, or related material fails to conform to an applicable standard or regulation issued, amended or continued in effect, under the provisions of the aforesaid Act.

It is further ordered, That respondent herein notify all of his customers who have purchased or to whom have been delivered the products which gave rise to the complaint, of the flammable nature of said products, and effect the recall of said products from such customers.

It is further ordered, That respondent herein either process the products which gave rise to the complaint so as to bring them into conformance with the applicable standard of flammability under the Flammable Fabrics Act, as amended, or destroy said products.

It is further ordered, That respondent herein shall, within ten (10) days after service upon him of this order, file with the Commission a special report in writing setting forth the respondent's intentions as

to compliance with this order. This special report shall also advise the Commission fully and specifically concerning (1) the identity of the product which gave rise to the complaint, (2) the number of said products in inventory, (3) any action taken and any further actions proposed to be taken to notify customers of the flammability of said products and effect the recall of said products from customers, and of the results thereof, (4) any disposition of said products since March 11, 1971, and (5) any action taken or proposed to be taken to bring said products into conformance with the applicable standard of flammability under the Flammable Fabrics Act, as amended, or destroy said products and the results of such action. Such report shall further inform the Commission as to whether or not respondent has in inventory any product, fabric, or related material having a plain surface and made of paper, silk, rayon and acetate, nylon and acetate, rayon, cotton or any other material or combinations thereof in a weight of two ounces or less per square yard, or any product, fabric, or related material having a raised fiber surface. Respondent shall submit samples of not less than one square yard in size of any such product, fabric, or related material with this report.

It is further ordered, That respondent shall, within sixty (60) days after service upon him of this order, file with the Commission a report in writing, setting forth in detail the manner and form in which he has complied with this order.
