LOSE WEIGHT FAST AS YOU WALK!

SEE HOW DOCTOR METZ' SLIMMING SOLES CAN MAKE YOU LOSE OVER 15 LBS WITHOUT THE SLIGHTEST EFFORT!

...and without dieting! You walk all the time... When you go shopping, at home, at work... Well did you know that just by walking, you can lose over 15 lbs without any diet or without doing any extra exercise? And that's what Dr. Robert Metz, a German weight loss expert and inventor of the first Slimming Soles, has discovered!

Guarantee

In asking to use Dr. Metz' Slimming Soles on a trial basis, you are not taking any risk except to see your body, day after day, becoming healthier and rejuvenated, (excess weight is dangerous to your health). However, if for any reason whatsoever, you were not 100% satisfied with the results obtained, all you have to do is to return your pair of Slimming Soles in its original box, and you will be immediately reimburse [sic], no questions asked. This is a full Guarantee.

A revolutionary discovery...

You certainly know the basic principles of Reflexology. It's that Chinese technique that consists of stimulating specific points on the sole of the feet, which correspond to a specific organ of the body.

A wide variety of disorders can be treated in this way: headaches, back pain and many other symptoms.

Complaint

But what you don't know, it's what Dr. Robert Metz, a weight loss expert, has discovered.

This doctor has discovered that under your feet existed certain points that make you lose weight automatically if you stimulate them!

* These points "force" your body to get rid of its surplus fat.

* These points can make you lose over 15 lbs in just 6 weeks without dieting or doing any extra exercise!

From these observations, Dr. Metz invented and designed the first pair of Slimming Soles based on the technique of Reflexology. These sole [sic] will make you lose weight with every step you take!

Amazing results, scientifically proven!

A recent medical test has been conducted with 478 people who had all failed to lose weight using any known method. After 6 weeks, 58% of these people had lost 15 lbs or more, 27% had lost between 13 and 15 lbs., and 15% had lost 13 lbs. None of these people altered their eating habits, they didn't do any exhausting exercises or any particular form of gymnastics; all they did was slip Dr. Metz' Slimming Soles into their shoes!

And now put your body in a constant weight loss mode without any effort and without any diet, by Dr. Metz.

Now, you too can lose weight rapidly, without going on a special diet and without having to do any extra exercise. All you have to do is slip Dr. Metz' Slimming Soles into your everyday shoes and live normally.

Every time you walk, whether you're going shopping or you're simply around the house or at work, you'll be losing weight!

You don't have to change a thing in your eating habits, all you have to do is walk as you normally do, (without excess).

6 weeks to lose 16 lbs.

After 6 weeks, you should have already lost between 13 and 16 pounds (as proven by the tests!). And no one will know your secret since you were not on a diet!

...
By simply slipping the new Dr. Metz' Slimming Soles into your shoes, you should quickly lose between 13 to 16 lbs. If it's not the case and you lost only between 6 and 8 lbs instead of the 16 lbs you were looking for, all you have to do is to return your Dr. Metz' Slimming Soles in their original box and we will reimburse you immediately, no questions asked. It means that the trial won't have cost you a penny. But believe me with the Dr. Metz' Slimming Soles you will [sic] thrilled about the weight you have lost."

...

[A]re you aware that the simple fact of walking can make you to lose up to 15 lbs., without dieting or working out?

Yes, 15 lbs. can simply vanish by just walking the same number of steps that you normally do, no more, no less.

...

What Dr. Metz has discovered is that under your feet there are certain particular points which, when stimulated, automatically make you lose weight!

* Points which "compel" your body to get rid of excess fat.

* Points which can make you to lose 15 pounds in 6 weeks, without dieting and without exercising!

In light of these observations, Dr. Metz developed and refined the first Slimming Soles based on the technique of Reflexology; they will make you lose weight every time you take a step!

ASTONISHING RESULTS, SCIENTIFICALLY PROVEN!

Listen carefully to this:

A recent medical test was conducted with 478 people who had been unable to lose weight, regardless of what techniques they tried.

These 478 people were each given a pair of Slimming Soles, with these 2 recommendations:

1. Don't walk more than usual
2. Don't make any changes in your eating habits.

After 6 weeks of tests, 58% of these people had lost 15 lbs. or more, 27% had lost between 11 and 15 lbs., and 15% had lost 11 lbs. These people made no changes in their eating habits and didn't do any strenuous exercise or workout regimen. All they did was slip a pair of Dr. Metz' Slimming Soles into their regular shoes!

'I have had your insoles now for 7 days. I have lost 5 lbs.' BFB, Norristown, PA
AND NOW PUT YOUR BODY IN A CONSTANT WEIGHT LOSS MODE, WITHOUT EFFORT, AND WITHOUT DIETING!

Now you too can lose weight - quickly, easily, without a special diet and without any extra exercise. All you have to do is slip a pair of Dr. Metz' Slimming Soles inside your regular shoes, and go on about your normal life.

You do not have to change any of your eating habits, or your lifestyle - all you have to do is walk normally (without excess).

Say goodbye to austere diets, say goodbye to strenuous and often ineffective workout sessions. With your "Erina Solum" Slimming soles, all you have to do is walk, just walk normally.

After 6 weeks, you should already have lost between 13 and 15 pounds (The tests prove it). You should find a new zest for life and a new energy.

RESULTS ARE GUARANTEED!

In slipping these new Slimming Soles into your shoes, you should quickly lose between 13 and 15 pounds. If, for whatever reason that does not happen, even if you lose only 7 or 8 pounds instead of 15, all you have to do is return your Slimming Soles, with their original packaging, and we will refund your money immediately, no questions asked. Your experiment will not have cost you a penny. But believe me, with the Dr. Metz' Slimming Soles you will be thrilled about the weight you have lost.

Featured in one of the more famous women's magazines published in an article on the subject of Dr. Metz' Super Acupressure Slimming Soles

Lose weight as you walk with the super slimming soles

Your daily diet will give you a better result if you bring your metabolism to heel. Simply slip the super slimming insoles down into your shoes. Through each step the reflex zones on the soles of your feet will receive massage and help to stimulate your digestion.

You will experience a pleasant feeling while walking as well as when you are sitting.

You will feel as though the circulation in your feet has increased. This is due to Dr. Metz' amazing insoles, to be more exact - the inlaid small green rubber knobs, that correspond precisely to the reflex zones on the bottom of your feet. These specific areas represent different organs of your digestive system.

This is the secret of the super slimming soles by Dr. Robert Metz. For each step you take the zone area will receive gentle massage and at the same time stimulate your metabolism.

Dr. Metz, a family practitioner from

You walk all the time...when you go shopping around the house, in the office...Now with every step you take the result will be better with the super slimming insoles.

Merzalb in Germany, is the inventor of the Erinasolum insoles. He helps many people to beat their weight problems.

The efficiency of the insoles is based on the principle of massage on the soles of your feet. Each of the organs in your body - whether it is the liver or the stomach - has a reflex zone on the sole of the foot. On massaging this specific area you will stimulate the corresponding organ.

Dr. Metz discovered that the same effect could be obtained through walking. The knobs are positioned so that they give massage to areas corresponding to the liver, stomach, kidneys, bladder and intestines. Certain zones are to be found on the right foot, others on the left. This is why two insoles are necessary.

The slimming insoles show the best result when used for firm walking in the morning and evening, each time for about two hours. It is possible to lose several pounds in a few weeks through sheer stimulation of your metabolism.

You can wear the insoles all day if your work requires you to remain in a constant sitting position.

The Federal Trade Commission having initiated an investigation of certain acts and practices of the respondents named in the caption hereof, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Federal Trade Commission Act; and

It is further ordered, That respondents shall pay to the Commission as consumer redress the sum of one hundred thousand dollars (\$ 100,000.00) no later than the date this order becomes final. Such payment shall be deposited into an escrow account, to be established by the Commission for the purpose of receiving payment due under this order.

The funds paid by respondents shall, in the discretion of the Commission, be used by the Commission to provide direct redress to purchasers of Slimming Soles in connection with the acts or practices alleged in the complaint, and to pay any attendant costs of administration. If the Commission determines, in its sole discretion, that redress to purchasers of this product is wholly or partially impracticable or is otherwise unwarranted, any funds not so used shall be paid to the United States Treasury. Respondents shall be notified as to how the funds are distributed, but shall have no right to contest the manner of distribution chosen by the Commission.

At any time after this order becomes final, the Commission may direct the escrow agent to transfer funds from the escrow account to

the Commission to be distributed as herein provided. The Commission, or its representative, shall, in its sole discretion, select the escrow agent.

Respondents relinquish all dominion, control and title to the funds paid into the escrow account, and all legal and equitable title to the funds vests in the Treasurer of the United States and in the designated consumers. Respondents shall make no claim to or demand for return of the funds, directly or indirectly, through counsel or otherwise; and in the event of bankruptcy of respondents, respondents acknowledge that the funds are not part of the debtor's estate, nor does the estate have any claim or interest therein.

VII.

It is further ordered, That respondent BodyWell, Inc., and its successors and assigns, and respondent Gerard du Passage shall, for five (5) years after the last date of dissemination of any representation covered by this order, maintain and upon request make available to the Federal Trade Commission for inspection and copying:

A. All advertisements and promotional materials containing the representation;

C. All tests, reports, studies, surveys, demonstrations, or other evidence in their possession or control that contradict, qualify, or call into question the representation, or the basis relied upon for the representation, including complaints and other communications with consumers or with governmental or consumer protection organizations.

VIII.

It is further ordered, That respondent BodyWell, Inc., and its successors and assigns, and respondent Gerard du Passage shall deliver a copy of this order to all current and future principals, officers, directors and managers, and to all current and future employees, agents, and representatives having responsibilities with respect to the subject matter of this order, and shall secure from each such person a signed and dated statement acknowledging receipt of the order. Respondents shall deliver this order to current personnel within thirty (30) days after the date of service of this order, and to

future personnel within thirty (30) days after the person assumes such position or responsibilities. Respondents shall maintain and upon request make available to the Federal Trade Commission for inspection and copying a copy of each signed statement acknowledging receipt of the order.

IX.

It is further ordered, That respondent BodyWell, Inc. and its successors and assigns shall notify the Commission at least thirty (30) days prior to any change in the corporation that may affect compliance obligations arising under this order, including but not limited to a dissolution of a subsidiary, parent or affiliate that engages in any acts or practices subject to this order; the proposed filing of a bankruptcy petition; or a change in the corporate name or address. Provided, however, that, with respect to any proposed change in the corporation about which respondent learns less than thirty (30) days prior to the date such action is to take place, respondent shall notify the Commission as soon as is practicable after obtaining such knowledge. All notices required by this Part shall be sent by certified mail to the Associate Director, Division of Enforcement, Bureau of Consumer Protection, Federal Trade Commission, Washington, D.C.

X.

It is further ordered, That respondent Gerard du Passage, for a period of four (4) years after the date of issuance of this order, shall notify the Commission of the discontinuance of his current business or employment, or of his affiliation with any new business or employment whose activities relate to the manufacturing, labeling, advertising, promotion, offering for sale, sale or distribution of any dietary supplement, drug, device, or weight loss product or program, as "drug" and "device" are defined in Section 15 of the Federal Trade Commission Act, for which any health or weight loss claim is made. The notice shall include respondent's new business address and telephone number and a description of the nature of the business or employment and his duties and responsibilities. All notices required by this Part shall be sent by certified mail to the Associate Director, Division of Enforcement, Bureau of Consumer Protection, Federal Trade Commission, Washington, D.C.

XI.

It is further ordered, That respondent BodyWell, Inc., and its successors and assigns, and respondent Gerard du Passage shall, within sixty (60) days after the date of service of this order, and at such other times as the Federal Trade Commission may require, file with the Commission a report, in writing, setting forth in detail the manner and form in which they have complied with this order.

XII.

This order will terminate on June 16, 2017, or twenty (20) years from the most recent date that the United States or the Federal Trade Commission files a complaint (with or without an accompanying consent decree) in federal court alleging any violation of the order, whichever comes later; provided, however, that the filing of such a complaint will not effect the duration of:

A. Any Part in this order that terminates in less than twenty (20) years;

B. This order's application to any respondent that is not named as a defendant in such complaint; and

C. This order if such complaint is filed after the order has terminated pursuant to this Part.

Provided further, that if such complaint is dismissed or a federal court rules that the respondent did not violate any provision of the order, and the dismissal or ruling is either not appealed or upheld on appeal, then the order will terminate according to this Part as though the complaint had never been filed, except that the order will not terminate between the date such complaint is filed and the later of the deadline for appealing such dismissal or ruling and the date such dismissal or ruling is upheld on appeal.
