Docket No. C-4309. *Order, December 27, 2011*

Commission letter denying Respondent's request to extend the time to divest its Las Vegas assets to a Commission-approved acquirer because the Respondent failed to demonstrate either that its efforts to divest the assets or its efforts to resolve staff concerns were sufficient to warrant an extension.

COMMISSION LETTER DENYING MOTION FOR EXTENSION OF TIME TO DIVEST LAS VEGAS DIVESTITURE ASSETS

Dear Messrs. Barbur and Belelieu:

This letter responds to Universal Health Services, Inc.'s Motion For Extension of Time to Divest the Las Vegas Divestiture Assets ("Motion"), filed by you on behalf of Respondents Alan B. Miller and Universal Health Services, Inc., *et al.* (collectively, "Universal" or "Respondents") in the above-captioned matter on October 3, 2011. In its Motion, Universal seeks an extension of time to divest until March 31, 2012. Under the terms of the Decision and Order ("Order") issued in this matter, which were agreed to by Respondents, Universal is required to divest the Las Vegas Divestiture Assets no later than six months after the date the Order became final, *i.e.*, by October 31, 2011, to an acquirer that receives the Commission's prior approval, and in a manner that also receives the Commission's prior approval. Universal has failed to complete the required divestiture within the Order's deadline. For the reasons discussed below, Universal has not met its burden under the Commission's Rules and the applicable legal standards for showing good cause why its Motion should be granted. Accordingly, the Commission has denied the Motion.

In reaching its decision, the Commission has reviewed Universal's Motion and other available information, including that provided by Universal in its periodic reports of compliance, its applications seeking prior approval of proposed divestitures and in supplemental submissions. The Commission has also reviewed Universal's efforts to divest the Las Vegas Divestiture Assets as required by the terms of the Order.
