IN THE MATTER OF

DATAMOTION, INC.CONSENT ORDER, ETC. IN REGARD TO ALLEGED VIOLATIONS OF
SECTION 5 OF THE FEDERAL TRADE COMMISSION ACT*Docket No. C-4466; File No. 142 3023*
Complaint, June 19, 2014 – Decision, June 19, 2014

This consent order addresses DataMotion, Inc.’s alleged false or misleading representations that DataMotion made to consumers concerning its participation in the Safe Harbor privacy frameworks agreed upon by the U.S. and the European Union and the U.S. and Switzerland. The complaint alleges that DataMotion, through its statements and use of the mark, falsely represented that it was a “current” participant in the Safe Harbor Frameworks when, in fact, from April 2013 until November 2013, DataMotion was not a “current” participant in the Safe Harbor Frameworks. The consent order prohibits DataMotion from making misrepresentations about its membership in any privacy or security program sponsored by the government or any other self-regulatory or standard-setting organization, including, but not limited to, the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework.

Participants

For the *Commission*: Jessica Lyon, Katie Race Brin, and Katherine White.

For the *Respondent*: Bob Bales, CEO, *pro se*.

COMPLAINT

The Federal Trade Commission, having reason to believe that DataMotion, Inc., a corporation, has violated the Federal Trade Commission Act (“FTC Act”), and it appearing to the Commission that this proceeding is in the public interest, alleges:

1. Respondent DataMotion, Inc., (“DataMotion”) is a Delaware corporation with its principal office or place of business at 35 Airport Road, Suite 120, Morristown, New Jersey 07960.
2. Respondent provides businesses with systems for sending encrypted email and other secure file transport.

Complaint

3. The acts and practices of respondent as alleged in this complaint have been in or affecting commerce, as “commerce” is defined in Section 4 of the FTC Act.

4. Respondent has set forth on its website, www.datamotion.com, privacy policies and statements about its practices, including statements related to its participation in the Safe Harbor privacy frameworks agreed upon by the U.S. and the European Union (“U.S.-EU Safe Harbor Framework”) and the U.S. and Switzerland (“U.S.-Swiss Safe Harbor Framework”).

The Frameworks

5. The U.S.-EU Safe Harbor Framework provides a method for U.S. companies to transfer personal data outside of Europe that is consistent with the requirements of the European Union Directive on Data Protection (“Directive”). Enacted in 1995, the Directive sets forth European Union (“EU”) requirements for privacy and the protection of personal data. Among other things, it requires EU Member States to implement legislation that prohibits the transfer of personal data outside the EU, with exceptions, unless the European Commission (“EC”) has made a determination that the recipient jurisdiction’s laws ensure the protection of such personal data. This determination is referred to commonly as meeting the EU’s “adequacy” standard.

6. To satisfy the EU adequacy standard for certain commercial transfers, the U.S. Department of Commerce (“Commerce”) and the EC negotiated the U.S.-EU Safe Harbor Framework, which went into effect in 2000. The U.S.-EU Safe Harbor Framework allows U.S. companies to transfer personal data lawfully from the EU. To join the U.S.-EU Safe Harbor Framework, a company must self-certify to Commerce that it complies with seven principles and related requirements that have been deemed to meet the EU’s adequacy standard.

7. Companies under the jurisdiction of the U.S. Federal Trade Commission (“FTC”), as well as the U.S. Department of Transportation, are eligible to join the U.S.-EU Safe Harbor Framework. A company under the FTC’s jurisdiction that claims it has self-certified to the Safe Harbor principles, but failed to

Complaint

self-certify to Commerce, may be subject to an enforcement action based on the FTC's deception authority under Section 5 of the FTC Act.

8. The U.S.-Swiss Safe Harbor Framework is identical to the U.S.-EU Safe Harbor Framework and is consistent with the requirements of the Swiss Federal Act on Data Protection.

9. Commerce maintains a public website, www.export.gov/safeharbor, where it posts the names of companies that have self-certified to the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework. The listing of companies indicates whether their self-certification is "current" or "not current" and a date when recertification is due. Companies are required to re-certify every year in order to retain their status as "current" members of the Safe Harbor Frameworks.

The U.S.-EU Safe Harbor Framework Certification Mark

10. In 2008, Commerce developed the U.S.-EU Safe Harbor Framework Certification Mark ("the mark"). Upon request, Commerce provides the mark to those organizations that maintain a "current" self-certification to the U.S.-EU Safe Harbor Framework. In addition, Commerce has established certain rules for using the mark, such as requirements relating to the mark's placement on a website and the inclusion of a link to www.export.gov/safeharbor. The mark appears as follows:

**Violations of Section 5 of the FTC Act**

11. In April 2012, respondent submitted to Commerce a self-certification of compliance with the Safe Harbor Frameworks.

Complaint

12. In April 2013, respondent did not renew its self-certification to the Safe Harbor Frameworks, and Commerce subsequently updated respondent's status to "not current" on its public website. In November 2013, respondent renewed its self-certification to the Safe Harbor Frameworks and respondent's status was changed to "current" on Commerce's website.

13. From at least April 2012, respondent has disseminated or caused to be disseminated privacy policies and statements on the www.datamotion.com website, including, but not limited to, the following statements:

DataMotion complies with the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework as set forth by the U.S. Department of Commerce regarding the collection, use, and retention of personal information from European Union member countries and Switzerland. DataMotion has certified that it adheres to the Safe Harbor Privacy Principles of notice, choice, onward transfer, security, data integrity, access, and enforcement. To learn more about the Safe Harbor program, and to view DataMotion's certification, please visit www.export.gov/safeharbor (<http://www.export.gov/safeharbor>)

14. From at least April 2012, respondent has displayed the mark on the www.datamotion.com website.

15. Through the means described in Paragraph 13 and 14, respondent represented, expressly or by implication, that it was a "current" participant in the U.S.-EU Safe Harbor and U.S.-Swiss Safe Harbor Frameworks.

16. In truth and in fact, from April 2013 until November 2013, respondent was not a "current" participant in the U.S.-EU Safe Harbor Framework or the U.S.-Swiss Safe Harbor Framework. Therefore, the representation set forth in Paragraph 15 is false and misleading.

Decision and Order

17. The acts and practices of respondent as alleged in this complaint constitute deceptive acts or practices, in or affecting commerce, in violation of Section 5(a) of the Federal Trade Commission Act.

THEREFORE, the Federal Trade Commission this nineteenth day of June, 2014, has issued this complaint against respondent.

By the Commission, Commissioner McSweeney not participating.

DECISION AND ORDER

The Federal Trade Commission (“Commission” or “FTC”), having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent having been furnished thereafter with a copy of a draft complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondent with violations of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 45, *et seq.*;

The respondent, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), which includes: a statement by respondent that it neither admits nor denies any of the allegations in the draft complaint, except as specifically stated in the Consent Agreement, and, only for purposes of this action, admits the facts necessary to establish jurisdiction; and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondent has violated the FTC Act, and that a complaint should issue

stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, and having duly considered the comments received from interested persons pursuant to Section 2.34 of its Rules, now in further conformity with the procedure prescribed in Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following Decision and Order (“Order”):

- A. any Part in this order that terminates in fewer than twenty (20) years;
- B. this order's application to any respondent that is not named as a defendant in such complaint; and
- C. this order if such complaint is filed after the order has terminated pursuant to this Part.

Provided, further, that if such complaint is dismissed or a federal court rules that respondent did not violate any provision of the order, and the dismissal or ruling is either not appealed or upheld on appeal, then the order as to such respondent will terminate according to this Part as though the complaint had never been filed, except that the order will not terminate between the date such complaint is filed and the later of the deadline for appealing such dismissal or ruling and the date such dismissal or ruling is upheld on appeal.

By the Commission, Commissioner McSweeney not participating.

**ANALYSIS OF CONSENT ORDER TO AID PUBLIC
COMMENT**

The Federal Trade Commission ("FTC" or "Commission") has accepted, subject to final approval, a consent agreement applicable to DataMotion, Inc. ("DataMotion").

The proposed consent order has been placed on the public record for thirty (30) days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will

Analysis to Aid Public Comment

again review the agreement and the comments received, and will decide whether it should withdraw from the agreement and take appropriate action or make final the agreement's proposed order.

This matter concerns alleged false or misleading representations that DataMotion made to consumers concerning its participation in the Safe Harbor privacy frameworks agreed upon by the U.S. and the European Union ("U.S.-EU Safe Harbor Framework") and the U.S. and Switzerland ("U.S.-Swiss Safe Harbor Framework"). It is among several actions the Commission is bringing to enforce the promises that companies make when they certify that they participate in the U.S.-EU Safe Harbor Framework and/or U.S.-Swiss Safe Harbor Framework ("Safe Harbor Frameworks"). The Safe Harbor Frameworks allow U.S. companies to transfer data outside the EU and Switzerland consistent with European law. To join the Safe Harbor Frameworks, a company must self-certify to the U.S. Department of Commerce ("Commerce") that it complies with a set of principles and related requirements that have been deemed by the European Commission and Switzerland as providing "adequate" privacy protection. These principles include notice, choice, onward transfer, security, data integrity, access, and enforcement. Commerce maintains a public website, www.export.gov/safeharbor, where it posts the names of companies that have self-certified to the Safe Harbor Frameworks. The listing of companies indicates whether their self-certification is "current" or "not current." Companies are required to re-certify every year in order to retain their status as "current" members of the Safe Harbor Frameworks.

In 2008, Commerce developed the U.S.-EU Safe Harbor Framework Certification Mark ("the mark") to allow companies to highlight for consumers their compliance with the Safe Harbor framework. Upon request, Commerce provides the mark to those organizations that maintain a "current" self-certification to the U.S.-EU Safe Harbor Framework. Commerce has established certain rules for using the mark, such as requirements related to the mark's placement on a website and the inclusion of a link to www.export.gov/safeharbor.

Analysis to Aid Public Comment

DataMotion provides businesses with systems for sending encrypted email and other secure file transport. According to the Commission's complaint, since at least April 2012, DataMotion has set forth on its website, www.datamotion.com, privacy policies and statements about its practices, including statements related to its participation in the U.S.-EU Safe Harbor Framework and U.S.-Swiss Safe Harbor Framework. In addition, from at least April 2012 until November 2013, DataMotion displayed the mark on its website.

The Commission's complaint alleges that DataMotion, through its statements and use of the mark, falsely represented that it was a "current" participant in the Safe Harbor Frameworks when, in fact, from April 2013 until November 2013, DataMotion was not a "current" participant in the Safe Harbor Frameworks. The Commission's complaint alleges that in April 2012, DataMotion submitted a self-certification to the Safe Harbor Frameworks. DataMotion did not renew its self-certification in April 2013 and Commerce subsequently updated DataMotion's status to "not current" on its public website. In November 2013, DataMotion renewed its self-certification to the Safe Harbor Frameworks and its status was changed to "current" on Commerce's website.

Part I of the proposed order prohibits DataMotion from making misrepresentations about its membership in any privacy or security program sponsored by the government or any other self-regulatory or standard-setting organization, including, but not limited to, the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework.

Parts II through VI of the proposed order are reporting and compliance provisions. Part II requires DataMotion to retain documents relating to its compliance with the order for a five-year period. Part III requires dissemination of the order now and in the future to persons with responsibilities relating to the subject matter of the order. Part IV ensures notification to the FTC of changes in corporate status. Part V mandates that DataMotion submit an initial compliance report to the FTC, and make available to the FTC subsequent reports. Part VI is a

provision “sunsetting” the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the proposed complaint or order or to modify the order’s terms in any way.
