the rules in this chapter or order of the Commission." Under applicable precedent, Community has the burden of demonstrating good cause, and granting an extension of time rests in the discretion of the Commission.

The Commission has reviewed this Petition, Community's compliance reports, and other information, and, after careful consideration, has determined to grant this Petition and extend the time in which Community must complete the divestiture to Prime as approved by the Commission today. Community has shown that it began its divestiture efforts immediately upon reaching the consent agreement with the Commission staff, that it has acted diligently throughout the entire divestiture period and in close communication with the Commission staff to reach a final agreement with Prime, and that the delays in completing negotiations were not due to unreasonable demands or other unreasonable conduct by Community. The Commission expects that Community will complete the divestiture promptly upon the Commission's approval.

By direction of the Commission.

ECM BIOFILMS, INC.

Docket No. 9358. Order, February 25, 2015.

Commission order approving a 2,500-word extension of the word count limitation for both respondent's and complaint counsel's appeal briefs.

COMMISSION ORDER EXTENDING WORD COUNT LIMITATION

On February 24, 2015, the parties filed a Joint Motion for Extension of Word Count Limitation, pursuant to Commission Rules 3.52(c)(2) and 3.52(k). The Joint Motion requests a 2,500-word extension of the limits for opening and answering appeals briefs, for a limit of 16,500 words each. The parties maintain that

in view of the magnitude and technical complexity of the record, undue prejudice will result from the existing word limits.

Commission Rule 3.52(k) provides that "[e]xtensions of word count limitations are disfavored, and will only be granted where a party can make a strong showing that undue prejudice would result from complying with the existing limit." Under the circumstances described by the parties, an extension of the word count limitations is appropriate. Accordingly,

IT IS ORDERED THAT the parties will be permitted to file opening and answering appeals briefs not to exceed 16,500 words in each brief; and

IT IS FURTHER ORDERED THAT the appeals briefs filed in this matter shall in all other respects conform to the requirements of Commission Rule 3.52, 16 C.F.R. § 3.52.

By the Commission.
