IN THE MATTER OF

DALE JARRETT RACING ADVENTURE, INC.CONSENT ORDER, ETC. IN REGARD TO ALLEGED VIOLATION OF
SECTION 5 OF THE FEDERAL TRADE COMMISSION ACT.*Docket C-4545; File No. 152 3190**Complaint, September 29, 2015 – Decision, September 29, 2015*

This consent order addresses Dale Jarrett Racing Adventure, Inc.’s misleading representation of their participation in the Safe Harbor privacy framework agreed upon by the U.S. and the European Union (“EU”). Dale Jarrett Racing Adventure, Inc. is a race car driving school that offers consumers an opportunity to ride in and drive genuine stock cars with professional drivers, and was founded by NASCAR champion Dale Jarrett. The Commission’s complaint alleges that Dale Jarrett Racing Adventure, Inc. falsely represented that it was a participant in the U.S.-EU Safe Harbor Framework when, in fact, Dale Jarrett Racing Adventure, Inc. was never a participant in the U.S.-EU Safe Harbor Framework. Commerce has never included the company on its public website. The consent order prohibits Dale Jarrett Racing Adventure, Inc. from making misrepresentations about its membership in any privacy or security program sponsored by the government or any other self-regulatory or standard-setting organization, including, but not limited to, the U.S.-EU Safe Harbor Framework. As well as, requiring Dale Jarrett Racing Adventure, Inc. to supply and retain documents relating to their compliance with the Order for a five-year period. The proposed order mandates that Dale Jarrett Racing Adventure, Inc. submit an initial compliance report to the FTC, and make available to the FTC subsequent reports.

COMPLAINT

The Federal Trade Commission, having reason to believe that Dale Jarrett Racing Adventure, Inc., a corporation, has violated the Federal Trade Commission Act (“FTC Act”), and it appearing to the Commission that this proceeding is in the public interest, alleges:

1. Respondent Dale Jarrett Racing Adventure, Inc., is a Florida corporation with its principal office or place of business at 116 3rd Street NW, Suite 302, Hickory, North Carolina 28601.

Complaint

2. Respondent is a race car driving school that offers consumers an opportunity to ride in and drive genuine stock cars with professional drivers. It was founded by NASCAR champion Dale Jarrett.

3. The acts and practices of respondent as alleged in this complaint have been in or affecting commerce, as “commerce” is defined in Section 4 of the FTC Act.

4. Respondent has set forth on its website, <http://www.racingadventure.com/privacy.html>, privacy policies and statements about its practices, including statements related to its participation in the Safe Harbor privacy framework agreed upon by the U.S. and the European Union (“U.S.-EU Safe Harbor Framework”).

The Framework

5. The U.S.-EU Safe Harbor Framework provides a method for U.S. companies to transfer personal data outside of Europe that is consistent with the requirements of the European Union Directive on Data Protection (“Directive”). Enacted in 1995, the Directive sets forth European Union (“EU”) requirements for privacy and the protection of personal data. Among other things, it requires EU Member States to implement legislation that prohibits the transfer of personal data outside the EU, with exceptions, unless the European Commission (“EC”) has made a determination that the recipient jurisdiction’s laws ensure the protection of such personal data. This determination is referred to commonly as meeting the EU’s “adequacy” standard.

6. To satisfy the EU adequacy standard for certain commercial transfers, the U.S. Department of Commerce (“Commerce”) and the EC negotiated the U.S.-EU Safe Harbor Framework, which went into effect in 2000. The U.S.-EU Safe Harbor Framework allows U.S. companies to transfer personal data lawfully from the EU. To join the U.S.-EU Safe Harbor Framework, a company must self-certify to Commerce that it complies with seven principles and related requirements that have been deemed to meet the EU’s adequacy standard.

Complaint

7. Companies under the jurisdiction of the U.S. Federal Trade Commission (“FTC”), as well as the U.S. Department of Transportation, are eligible to join the U.S.-EU Safe Harbor Framework. A company under the FTC’s jurisdiction that claims it has self-certified to the Safe Harbor principles, but failed to self-certify to Commerce, may be subject to an enforcement action based on the FTC’s deception authority under Section 5 of the FTC Act.

8. Commerce maintains a public website, www.export.gov/safeharbor, where it posts the names of companies that have self-certified to the U.S.-EU Safe Harbor Framework. The listing of companies indicates whether their self-certification is “current” or “not current” and a date when recertification is due. Companies are required to re-certify every year in order to retain their status as “current” members of the Safe Harbor Framework.

Violations of Section 5 of the FTC Act

9. Since at least January 2015, respondent has disseminated or caused to be disseminated privacy policies and statements on the <http://www.racingadventure.com/privacy.html> website, including, but not limited to, the following statement:

Dale Jarrett Racing adventure adheres to the US Safe Harbor Privacy Principles of Notice, Choice, Onward Transfer, Security, Data Integrity, Access and Enforcement, and **is registered with the U.S. Department of Commerce’s Safe Harbor Program**. Dale Jarrett Racing adventure regularly reviews **its compliance** with this Privacy Policy. When we receive formal written complaints, we fix the issues at hand. (emphasis added)

10. Through the means described in Paragraph 9, respondent has represented, expressly or by implication, that it is a “current” participant in the U.S.-EU Safe Harbor Framework.

11. In truth and in fact, respondent is not and never has been a participant in the U.S.-EU Safe Harbor Framework. Therefore,

Decision and Order

the representation set forth in Paragraph 10 was, and is, false and misleading.

12. The acts and practices of respondent as alleged in this complaint constitute deceptive acts or practices, in or affecting commerce, in violation of Section 5(a) of the Federal Trade Commission Act.

THEREFORE, the Federal Trade Commission this twenty-ninth day of September 2015, has issued this complaint against respondent.

By the Commission.

DECISION AND ORDER

The Federal Trade Commission (“Commission”), having initiated an investigation of certain acts and practices of the respondent named in the caption hereof, and the respondent having been furnished thereafter with a copy of a draft complaint that the Bureau of Consumer Protection proposed to present to the Commission for its consideration, and which, if issued by the Commission, would charge respondent with violations of the Federal Trade Commission Act (“FTC Act”), 15 U.S.C. § 45 *et seq.*;

The respondent, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), which includes: a statement by respondent that it neither admits nor denies any of the allegations in the draft complaint, except as specifically stated in the Consent Agreement, and, only for purposes of this action, admits the facts necessary to establish jurisdiction; and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondent

Decision and Order

has violated the FTC Act, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, now in further conformity with the procedure prescribed by Commission Rule 2.34, 16 C.F.R. § 2.34, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following Decision and Order (“Order”):

1. Respondent Dale Jarrett Racing Adventure, Inc., is a Florida corporation with its principal office or place of business at 116 3rd Street NW, Suite 302, Hickory, North Carolina 28601.

Within ten (10) days of receipt of written notice from a representative of the Commission, it shall submit an additional true and accurate written report.

VI.

This order will terminate on September 29, 2035, or twenty (20) years from the most recent date that the United States or the Commission files a complaint (with or without an accompanying consent decree) in federal court alleging any violation of the order, whichever comes later; *provided, however,* that the filing of such a complaint will not affect the duration of:

- A. any Part in this order that terminates in fewer than twenty (20) years;
- B. this order's application to any respondent that is not named as a defendant in such complaint; and
- C. this order if such complaint is filed after the order has terminated pursuant to this Part.

Provided, further, that if such complaint is dismissed or a federal court rules that respondent did not violate any provision of the order, and the dismissal or ruling is either not appealed or upheld on appeal, then the order as to such respondent will terminate according to this Part as though the complaint had never been filed, except that the order will not terminate between the date such complaint is filed and the later of the deadline for appealing such dismissal or ruling and the date such dismissal or ruling is upheld on appeal.

By the Commission.

**ANALYSIS OF CONSENT ORDER TO AID PUBLIC
COMMENT**

The Federal Trade Commission ("FTC" or "Commission") has accepted, subject to final approval, a consent agreement applicable to Dale Jarrett Racing Adventure, Inc. ("Dale Jarrett Racing Adventure").

The proposed consent order has been placed on the public record for thirty (30) days for receipt of comments by interested persons. Comments received during this period will become part of the public record. After thirty (30) days, the Commission will again review the agreement and the comments received, and will decide whether it should withdraw from the agreement and take appropriate action or make final the agreement's proposed order.

Analysis to Aid Public Comment

This matter concerns alleged false or misleading representations that Dale Jarrett Racing Adventure made to consumers concerning its participation in the Safe Harbor privacy framework agreed upon by the U.S. and the European Union (“EU”) (“U.S.-EU Safe Harbor Framework” or “Safe Harbor Framework”). The Safe Harbor Framework allows U.S. companies to transfer data outside the EU consistent with EU law. To join the Safe Harbor Framework, a company must self-certify to the U.S. Department of Commerce (“Commerce”) that it complies with a set of principles and related requirements that have been deemed by the European Commission as providing “adequate” privacy protection. These principles include notice, choice, onward transfer, security, data integrity, access, and enforcement. Commerce maintains a public website, www.export.gov/safeharbor, where it posts the names of companies that have self-certified to the Safe Harbor Framework. The listing of companies indicates whether their self-certification is “current” or “not current.” Companies are required to re-certify every year in order to retain their status as “current” members of the Safe Harbor Framework.

Dale Jarrett Racing Adventure is a racecar driving school that offers consumers an opportunity to ride in and drive genuine stock cars with professional drivers, and was founded by NASCAR champion Dale Jarrett. According to the Commission’s complaint, since at least January 2015, Dale Jarrett Racing Adventure set forth on its website, <http://www.racingadventure.com/privacy.html>, privacy policies and statements about its practices, including statements related to its participation in the U.S.-EU Safe Harbor Framework.

The Commission’s complaint alleges that Dale Jarrett Racing Adventure falsely represented that it was a participant in the U.S.-EU Safe Harbor Framework when, in fact, Dale Jarrett Racing Adventure was never a participant in the U.S.-EU Safe Harbor Framework. Commerce has never included the company on its public website.

Part I of the proposed order prohibits Dale Jarrett Racing Adventure from making misrepresentations about its membership in any privacy or security program sponsored by the government or any other self-regulatory or standard-setting organization,

Analysis to Aid Public Comment

including, but not limited to, the U.S.-EU Safe Harbor Framework and the U.S.-Swiss Safe Harbor Framework.

Parts II through VI of the proposed order are reporting and compliance provisions. Part II requires Dale Jarrett Racing Adventure to retain documents relating to its compliance with the Order for a five-year period. Part III requires dissemination of the order now and in the future to persons with responsibilities relating to the subject matter of the order. Part IV ensures the notification to the FTC of changes in corporate status. Part V mandates that Dale Jarrett Racing Adventure submit an initial compliance report to the FTC, and make available to the FTC subsequent reports. Part VI is a provision “sunsetting” the order after twenty (20) years, with certain exceptions.

The purpose of this analysis is to facilitate public comment on the proposed order. It is not intended to constitute an official interpretation of the proposed complaint or order or to modify the order’s terms in any way.
